CIVIL ACTION

FILE No. 1:17-cv-00972-SCJ-JCF

---

PLAINTIFF'S MOTION FOR PERMISSION FOR ELECTRONIC CASE  
FILING, OR IN THE ALTERNATIVE TO AT LEAST RECEIVE ELECTRONIC  
NOTIFICATION AND SERVICE OF DOCUMENTS FILED

---

COMES NOW, Plaintiff, Cynthia Perdum ("Ms. Perdum", or "Plaintiff"),  
proceeding respectfully files *Plaintiff's Motion for Permission for Electronic  
Case Filing, or in the Alternative, to At Least Receive Electronic Notification  
and Service of Documents Filed.*

Ms. Perdum respectfully asks the Court for permission to participate in  
electronic case filing ("e-filing") in this case. She declares under penalty of  
perjury the following facts:

1. I have had a Pacer Account for a long time.
2. I have reviewed and downloaded the Court's Electronic Case Filing User's Manual which is available at: <http://www.gand.uscourts.gov/ecf-user-manuals>.
3. I have also reviewed and downloaded the Revised Electronic Case Filing Standard Order & Administrative Procedures, <http://www.gand.uscourts.gov/local-rules>, Appendix H.
4. I recently lost my legal counsel, through no fault of my own, and have filed a motion pursuant to N.D.Ga. L.R. 83.1D(2), wherein I requested permission to proceed Pro Se, until such time that I locate and retain, competent legal counsel.
5. I have successfully, without incident been using e-filing in State Courts in Georgia, as well as in Florida.
6. I realize that if I am granted permission to e-file, that I am obligated from that time forward, to e-file all my submissions, and will not be allowed to submit documents in any other method, without having either a mechanical failure, or good reason for this Court to Grant a request for any other reason.
7. I have the understanding of how to convert a document to PDF-A format, and the proper programs to convert into the proper format.
8. I have a stable, safe email account to receive notifications from the Court and notices from the e-filing system.

9. I possess a scanner to convert documents that are only in paper format, into electronic files.

10. I have the necessary DPF readers and a PDF writer to convert word-processing documents into PDF format, the only electronic format in which documents can be e-filed.

11. I possess a printer and copier to create required paper copies such as chamber copies, should the need arise.

12. I understand that I must regularly review the docket report of my case so that I do not miss a filing.

13. I realize that if I am denied permission to e-file, but am granted e-notification, that I most likely will no longer receive hard copies from opposing counsel.

14. I understand that if my use of the ECF system is unsatisfactory my e-filing privileges will be revoked, and I will be required to file documents in paper form

Respectfully submitted, this 10<sup>th</sup> day of April, 2018,

By:
